**Grand Opening of New Bissonnet Location for Hunton Distribution**

**Houston, TX – June 14<sup>th</sup>, 2021**

On June 14th, 2021, Hunton Distribution celebrated the Grand Opening of its newest location in west Houston with a ribbon cutting, tours of the facility, fresh grilled burgers and hot dogs, vendor product exhibitions, and an array of raffle prizes for customers.

Charlie Hunton, President and General Manager, proudly thanked customers and unveiled Hunton Distribution's newest endeavor stating, "While other companies are making cuts and downsizing, we continue to invest in you and our community."

The newly renovated 80,000 sq/ft distribution center is conveniently located at **10560 Bissonnet STE #100** and will replace Hunton Distribution's Westpark distribution location, expanding its warehouse space by 260%. This space also contains a huge showroom and a massive warehouse that will allow for significantly more inventory. This is Hunton Group's fifth physical location and Hunton Distribution's third strategic parts and equipment distribution location in the Houston area.
