## **Trane ProSpace™ Variable Refrigerant Flow Systems Phase-Out**

As part of the recently announced joint venture going live, we are beginning the process of formally phasing out the legacy Trane ProSpace™ VRF products.

Any existing quotes prior to July 13, 2018 require the order to be released by September 28th, 2018 with shipment before December 27, 2018. Additionally, for all new orders, expect a minimum 12-week lead time to ensure equipment availability in time for the customer requested ship date.

An [exception list of products](#) allowed for quoting past July 13, 2018, and ordered past September 28, 2018 will be maintained until inventory is depleted. In order to access the list, ComfortSite login credentials are required to access the dynamic list.

### **Key Message:**

Wrap up all quoted jobs and place orders by the critical dates and assure our customers are aware of the extended lead times.

The pricing team will not accept quotes for Trane ProSpace™ VRF products after July 13, 2018. Orders for non-inventoried Trane ProSpace™ VRF products will not be accepted after September 28, 2018. All orders must ship by December 27, 2018.
