18-HE87D1-4-EN, 18CH87D1-1B-EN

**>> USE AND CARE GUIDE:**  
32-5036-07, 32-5092-03

## HUMIDIFIERS NOW BADGED AND SHIPPED WITH ENVIROWISE BRANDING

All models of Trane Humidifiers will transition to the single SKU Envirowise badging and will be shipped with the Envirowise badge and box label. This action supports our continuous improvement strategy with IAQ products to leverage cost, improve inventory availability, and opens new sales channels for our branded offering of IAQ products and accessories.

There is no change of source supplier, no changes have been made to the product, and there are no pricing changes. Our customers can expect the same standards, quality, and reliability as we have always delivered with our humidifier line-up.
