

Wells Fargo Home Projects® credit card program – for Trane

Wells Fargo Credit Connect

Paperless Credit Card Account Application and Transaction Processing

Now available for approved merchant-owned devices*

Reduce opportunity for errors

- The applicant inputs their information directly into Wells Fargo Credit Connect on your approved merchant-owned device
- The most current terms are presented and delivered electronically to the applicant

Less paperwork and reduced time managing it

- This process replaces the paper application and invoice for those customers who have a valid email address and have agreed to receive their terms electronically

Please note:

- ⓘ - *Paper applications and invoices must continue to be available for those customers who do not agree to receive the terms and conditions electronically*

Ready to get started? Here's what you need to do:

1. Download the [consent form](#) (PDF)
2. Fill out pages 1 – 8 and fax or email the completed consent form to: retailerdealermaint@wellsfargo.com | 1-866-280-8329
3. Once your consent form has been reviewed:
 - a. An on-demand training for the paperless process must be completed by you or an employee from your organization
 - b. You will be emailed a link to the paperless process and the Instructions and Procedures document within 10 business days after training has been completed before you will be able to use the paperless process
 - c. Use your Online Resource Center username and password to sign on and begin using Wells Fargo Credit Connect

If you have questions on Wells Fargo Credit Connect or need help with your Online Resource Center username and password, please contact Client Processing.

Client Processing 1-800-551-5111
